Important Questions	Answers	Why This Matters:
What is the overall <u>deductible</u> ?	In-network \$2,500 /Individual; \$5,000/family Out-of-network \$6,750 /Individual; \$13,500/family	Generally, you must pay the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your <u>deductible?</u>	Yes. Physician, urgent care visits, and prescription drugs.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive</u> services at https://www.healthcare.gov/coverage/preventive-care-benefits/.
Are there other <u>deductibles</u> for specific services?	No.	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ?	\$8,150/Individual; \$16,300 family, in-network. Out-of-network Unlimited.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket-limits</u> .
What is not included in the <u>out-of-pocket limit</u> ?	Premiums, balance-billing charges, copays and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket-limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>www.anthem.com</u> or call National PPO for a list of <u>network providers</u>	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a provider in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what you plan pays (<u>balance</u> <u>billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	This plan will pay some or all of the costs to see a specialist for covered services.

Anthem.

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
